

The DMAA Education Committee is pleased to introduce the

DMAA Excellence in Education Scholarship

The DMAA Education Committee will be awarding full paid tuition for two National Apartment Association (NAA) designation Programs :
National Apartment Leasing Professional and
Certified Apartment Maintenance Technician

This scholarship program is designed to assist those interested in pursuing their professional development through NAA designations, but may not have the financial resources to do so. These scholarships will be awarded to the individuals who best exemplify a dedication too our industry and willingness to share their knowledge and give back to the community.
