Capital Day in Lansing is an annual event put on by PMAM as an opportunity for all Chapter Members throughout Michigan to meet local State and House Representatives to discuss issues that pertain to the Apartment and Property Management Industry.

Each local Association Chapter will make appointments with the Legislative Representatives within their own Districts, these meetings will be throughout the day. Our intent is to form new legislative relationships and, confirm and maintain existing relationships.

We need Member Volunteers to attend these meetings with our Lawmakers. We provide you materials for your discussions.
