

***Everything You Always Wanted to Know About TRACS 202.C, iMAX and EIV...
but were afraid to ask...***

Scheduled Topics:

This full-day training session will bring you up to date on the latest TRACS and EIV news and procedures. Bring your questions and TRACS/EIV issues.

First, learn about TRACS 202.C and how the changes affect your site, including:

- New 50059, and 50059A for partial certs
- Additions to the voucher
- Completely new method of calculating and displaying voucher adjustments
- iMAX web-based transmission system for TRACS

Then, hear all about EIV, including:

- HUD-required written EIV policies and procedures
- How to use all the EIV reports - and which ones to use
- MOR considerations - which EIV items will be requested

Come and join us - you'll leave feeling confident in using HUD's newest systems!

Instructor:

Bonnie Wilpon

Bonnie Wilpon was a founding partner of PAWA House of Florida, Inc in 1993. She operated the PAWA House Service Bureau from 1994 to 2007, processing both HUD and Rural Development sites, transmitting data and troubleshooting issues with sites, management agents, Contract Administrators, the TRACS Hotline and Voucher Hub. She regularly attends TRACS Industry Meetings in Washington DC.

In March of 2007, the PAWA House Service Bureau merged with PMCS based in Syracuse, NY. In addition to her PAWA House work, Bonnie now serves as Associate Director of PMCS, focusing on training and consulting. She has extensive experience as a nationwide trainer for TRACS, HUD Regulations, Secure Connection and various software programs for affordable housing. Bonnie is COS certified (HUD) and STAR certified (Rural Housing/Farmer's Home). She has been an invited speaker at many SAHMA and AHSA conferences and seminars across the country.
