How to Obtain Your CAMT Designation...

To obtain a CAMT designation you must have worked in the apartment industry for at least 12 months; successfully completed the seven courses and online content completed below; and met all examination requirements within 24 months of declaring your candidacy for CAMT

Non-Technical Courses

Inside the Apartment- This online course offers learners an overview of the apartment industry and the maintenance professional's role in contributing to a community's success. This course covers the technician's responsibilities; compliance with relevant laws, regulations and guidelines; safety standards; and customer service. *The course is 2.5 hours of online content and practice scenarios.*

People, Projects and Profits- This online course gives learners the professional skills they will need to take their performance on the job to the next level. This course covers business skills, such as finance and budgets, time management; and project management, as well as "softer" skills such as communicating with bosses, peers, and residents and being a good teammate. *The course is 2.5 hours of online content and practice scenarios.*
